AI-generated job description

As a Recruiter at Aareon, you will play a pivotal role within the Management department by identifying, attracting, and securing top talent that drives our continued growth as a leading European PropTech and SaaS company. Based in Utrecht and working in a hybrid setup, you will partner closely with hiring managers to build high-performing teams that shape the future of property management technology. Responsibilities: • Manage the full recruitment lifecycle, from job briefing and sourcing through to offer and onboarding coordination • Develop and execute targeted sourcing strategies across job boards, LinkedIn, and other relevant channels to attract qualified candidates • Conduct structured interviews and assessments to evaluate candidate suitability against role requirements and Aareon's cultural values • Build and maintain a strong talent pipeline for current and future hiring needs across the business • Collaborate closely with hiring managers and HR Business Partners to align recruitment activity with organisational goals • Deliver an outstanding candidate experience at every touchpoint, acting as a true ambassador for the Aareon employer brand • Track and report on key recruitment metrics to continuously improve hiring efficiency and quality Requirements: • HBO-level degree or equivalent professional qualification, preferably in Human Resources, Business Administration, or a related field • Demonstrably strong communication skills, both written and verbal, with the ability to engage effectively with candidates and stakeholders at all levels • Proven experience in a recruitment or talent acquisition role, either in-house or within a staffing agency • Excellent interpersonal skills with the ability to build trusted relationships across a diverse, international organisation • Strong organisational skills

with the ability to manage multiple vacancies simultaneously in a fast-paced environment •

Proficiency in applicant tracking systems (ATS) and digital sourcing tools What we offer:

- Competitive salary ranging from EUR 3,000 to EUR 50,000 per month, depending on experience and qualifications
- Hybrid working arrangement, offering flexibility between our modern Utrecht office and remote work
- Opportunity to grow within a fast-scaling European PropTech leader with a clear innovation agenda
- Access to continuous learning and professional development programmes to support your career growth
- A collaborative and inclusive team culture where your contribution truly makes a difference
